

We know you have been wondering...What can I do to help the people of Ukraine?

Now is your chance to help!

Uniting for Ukraine is looking for Host families, Volunteers and Donations

Uniting for Ukraine's goal is to sponsor six to eight Ukrainian refugee families (or individuals) in the Rogue Valley over the next year.

Host families will support refugee families in navigating life in the US. and will be assisted by our volunteer support teams.

Teams will assist visiting families in accessing social services, obtaining medical care, arranging transportation, providing meals, enrolling children in school, acquiring interpreters, aiding children and parents in learning English and meeting other needs.

- Do you have a spare room, cottage or RV?
- Do you have special skills you'd like to offer?
- Are you interested in joining a support team?
